Dealers are responsible for completing the required background checks for **initial** salesperson licenses. Prior to submitting the MVDB 61 to license a new salesperson, a criminal background check is required. Please contact one of the providers listed below to complete your background checks. **Be sure to select the complete MVDB background check package.** Upon completing the background check the vendor will assign a unique background identifier code specific to the applicant. This identifier code is what you will insert into the MVDB 61 prior to sending the application to the MVDB.
