## **OLD BUSINESS**

**Salesperson Licensing Update.** Ron Kody reported that there are no issues with off-site testing and informed the Board that the testing volume at the old Sterling CSC is declining because of low demand. Board Chairman Holcomb informed the Board that the DMV will be open to the general public without an appointment on a first come first serve basis on Tuesdays, Thursdays and Saturdays (half-day). On Mondays, Wednesdays and Fridays the DMV will operate on an appointment basis only. This is effective starting on October 5, 2021. Once implemented, the old Sterling CSC will no longer be available for salesperson testing on Wednesdays.

**Dealer Portal Update.** William Childress informed the Board that the Board staff has been working closely with VITA to ensure that the Board meets all of VITA’s requirements concerning the dealer portal acquisition. William was confident that a contract would be in place prior to the next Board meeting. An update will be provided during the November Board meeting.

## **Legislative Updates – VADA and VIADA**

**VADA:** Anne Gambardella indicated that there were no issues that concern the Board, but the VADA is looking at some Franchise issues.

**VIADA:** Gonzalo Aida indicated that VIADA did not have any legislation at this time.

**OLD BUSINESS FROM THE FLOOR** – There was no old business from the floor.

**NEW BUSINESS**

**NEW BUSINESS FROM THE FLOOR** – Chris Maher attended the National VIADA meeting and he questioned sales being conducted digitally. What is the stance with the Dealer Board? Chairman Holcomb indicated that he didn't think the DMV recognized digital signatures yet. However, Alacia Moore, Deputy Director VSA, clarified Chairman's comments by adding that the DMV does recognize electronic signatures on all vehicle documents except for the title and the title reassignment, which both require wet signatures.

Chairman Holcomb reminded all that the next Board meeting will be held on November 8, 2021.

**EXECUTIVE DIRECTOR'S REPORT** – William Childress reminded the Board that the criminal background check process has been with the dealerships for over a year now. William reported that complaints are drastically down involving salesperson licensing since requiring dealerships apply for background checks on applicants before submitting the application to the Board for processing. The process is about 95% effective, we still have some dealerships submitting pending background checks, but overall, the staff's time is spent processing the requests, not doing criminal background checks.

There being no further business to come before the Motor Vehicle Dealer Board, Chairman Holcomb adjourned the Full Board meeting at 10:58 a.m.
