ATTENTION ALL DEALERS

Dealers are responsible for completing the required background checks for initial salesperson licenses. Prior to submitting the MVDB 61 to license a new salesperson, a criminal background check is required. Please contact one of the providers listed below to complete your background checks. Be sure to select the complete MVDB background check package. Upon completing the background check the vendor will assign a unique background identifier code specific to the applicant. This identifier code is what you will insert into the MVDB 61 prior to sending the application to the MVDB.
